Please join us on Sunday, January 13th from 4-6pm for the **Putney Mountain Association Annual Meeting!** The event will be held at the Putney Community Center at 10 Christian Square in Putney.

This year we are very pleased to feature a talk by **Rich Holschuh**, a indigenous cultural researcher who serves on the VT Commission for Native American Affairs. The title of his talk will be "**Talking With The Mountain**". Rich will share a traditional perspective on being in relationship with Place drawn from history, linguistics, geography, cosmology, and the concept of indigeneity.

Rich is a resident of Wantastegok (Brattleboro, VT) of Mi'kmaq, Wendat, and European heritage. He serves as a public liaison for the Elnu Abenaki Tribe, working with the contemporary Abenaki community, and partnering with a wide variety of other groups to provide outreach and build connections.

All are welcome! Light refreshments will be served--we hope to see you there.
